October 31, 2019

# Inputs

## 1.1 Student

For logging in, a student has to input his/her

- Admission Number and
- Password

The Student login page will be active only when the Fee Payment is open

## 1.2 Admin

An Admin can log in using his/her

- College ID and
- Password

# Outputs

## 2.1 For Student

Upon login, a student is taken to the landing page. The page will show a Table Showing the Student's

- Admission Number
- Name
- Semester
- Department
- Scholarship details if any
- Fee Deadline
- Mark whether fee has been paid or not
- A button to redirect to payment portal if not paid/ A button to print receipt if paid

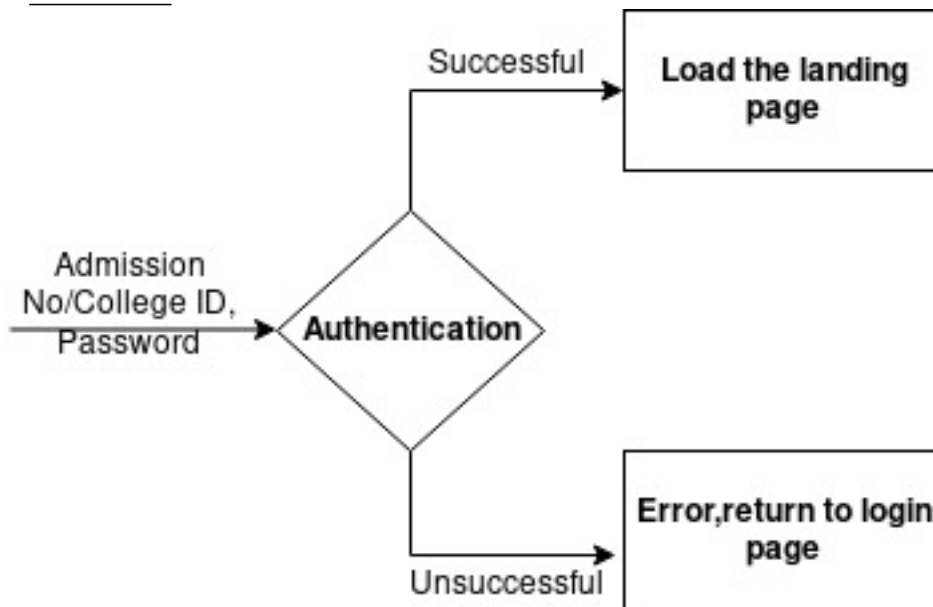

## 2.2 For Admin

The admin will have two pages

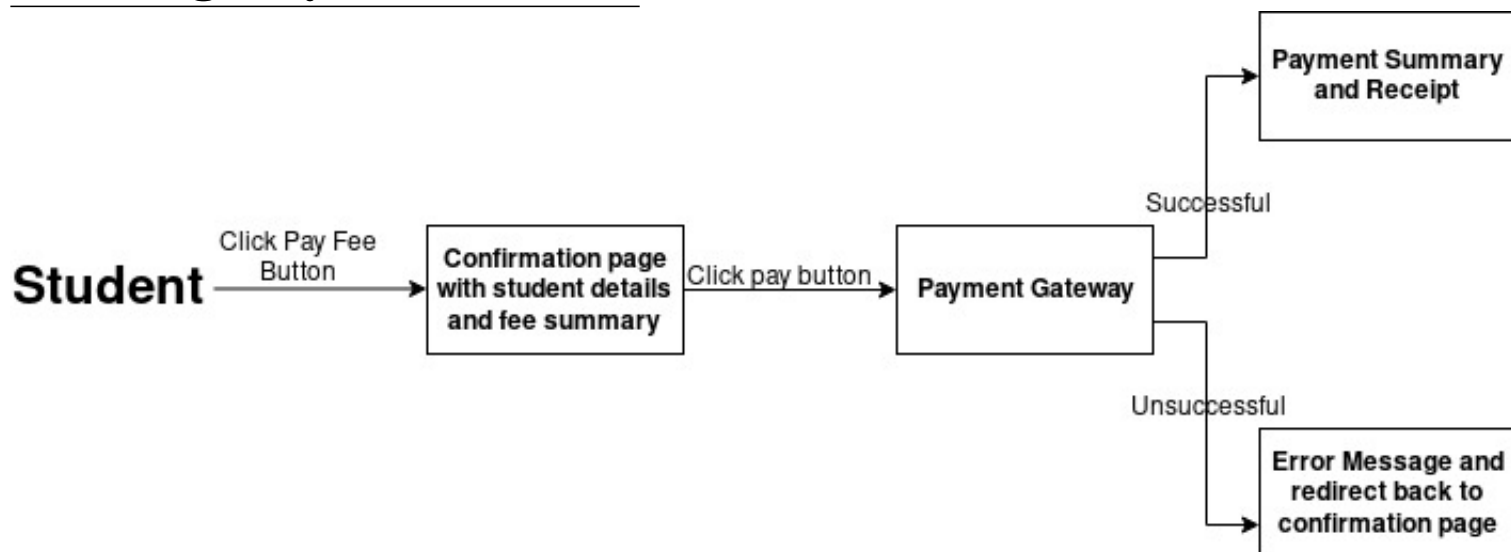

- One to search for students and update their fee status and scholarship details
- The next to update fee amount and deadline

# Processes
